SIXTH AVENUE, 21ST TO 22D ST.

On Friday and Saturday we will give the people of this town an object lesson in low prices, which under ordinary circumstances would be perfectly astounding, but which our purchase of the hundred thousand dollar stock of HALLEY & ATCHISON, 31 Union Square, at one-quarter its inventoried cost, easily and clearly explains.

SIXTH AVENUE, 21ST TO 22D ST.

The air sizzles and crackles with the announcement of clearing sales, bargain offerings, &c., &c. We would advise seekers of genuine bargains to make a discriminating comparison between what we are showing and what they will find elsewhere. Then perhaps they will understand why our stores are always crowded, and why people draw conclusions between a bargain as it appears in the columns of a newspaper, and the real article as it is shown over a counter.
